Docket No. 2021-346-T

To: Commissioners, State of South Carolina Public Service Commission

To Whom it Concerns,

At the suggestion of Thomas McGill from ORS, during our audit conversation, we are making one addition to KELLY MOVING INC'S new tariff proposal.

This is an addition to section 3.0, Rules and Regulations under Claims where some of this was previously addressed.

Valuation has been added under claims on page 7, #3.5.

Attached is the original tariff proposal with the above mentioned amendments.

Thank you for your time and consideration.
